

# Homeopathy Courses for the General Public

HOMEOPATHY  
UK

If you are interested in finding out more about homeopathy, you might want to attend a short course. The following courses are all aimed at the general public and some can be accessed online.

## Homeopathy for the home: be a confident self-prescriber – Homeopathy UK

**New for 2024** - this comprehensive online course will cover a range of topics over twelve modules which participants can complete at their own pace, interspersed with live interactive sessions.

For more info email: [sarah@homeopathy-uk.org](mailto:sarah@homeopathy-uk.org)

## Beginners course - Southern School of Homeopathy

A one day introduction into the world of homeopathy and remedies.

For more info email: [mary@schhom.com](mailto:mary@schhom.com)

## Beginners courses - School of Homeopathy

The School of Homeopathy offers a Taster course, as well as three first aid courses – for home, for babies and for pets.

For more info visit: [www.schoolofhomeopathy.com](http://www.schoolofhomeopathy.com)

## Homeopathy for Pets

This live, six month course is designed to empower pet owners with information to support them throughout the whole life of their pet.

## Courses run by individual homeopaths

1. **Zoe Scanlan** runs a number of courses under her Homeopathy for Living brand.
  - **Basic introductory homeopathy course** – Six 2 hour sessions live on Zoom
  - **Holiday course** – a short 3 hour course on how to make your trip enjoyable
  - **Homeopathy & Childbirth** - aimed at pregnant women and/or birth professionals interested in incorporating Homeopathy to support natural childbirth.

For more info email: [info@homeopathyforliving.co.uk](mailto:info@homeopathyforliving.co.uk)

2. **Rebecca Atkinson's** Homeopathy Home Prescribers course 'Homeopathy In Your Hands' is a pre-recorded learning course to introduce Home prescribers to Homeopathy & how to use it successfully at home.
